Chapter 9
Hon. Steven W. Rhodes

Objection to City of Detroit's Plan of Adjustment
(Docket 2708)

The State of Michigan owes Detroit money that Gov. Snyder is withholding. He has ulterior motives for putting Detroit into bankruptcy. He wanted Belle Isle - now he has it. I feel many ~~at~~ other things are on his agenda.

The citizens of Detroit deserve more than what we're getting. The employees and retirees deserve better too. I am a retiree from W. S. D. I know that if my retirement income would be cut as that threatened by this Plan of Adjustment and Kevyn Orr for the retirees of Detroit Police and Firemen and other City workers ~~it~~ would be in very dire straits.

The City is paying Kevyn Orr & other consultants millions of dollars in costs which could have been used to clean up our city, Belle Isle, etc and tear down abandoned buildings instead of paying lawyers. We the citizens of Detroit are being raped by the Governor & Kevyn Orr and taking over or "authorizing" all our assets.

I object to the Plan of Adjustment, the EM law, and feel the EM law is illegal since the majority of counties in Michigan had voted down the EM law in the first place.
